

PRESS RELEASE: FOR IMMEDIATE ISSUE:

United Kingdom- July 30, 2012 – Today marks the highly anticipated publication of the 2012 winners of the **Acquisition International M&A Awards**. In partnership with Preqin (Sponsor) and DealGate (Media Partner), the publication marks the culmination of a 6 month search for the very best M&A teams in the world.

Acquisition International Magazine takes great pleasure in publishing the full list of winners and invites you to celebrate the M&A teams that have shown the greatest strength amid on-going global economic uncertainty.

Kathryn Turner, Chief Coordinator, of the AI M&A Awards, underlined the core strengths of the winners: *“During times of economic uncertainty many fail, however the AI M&A winners have defeated the odds and come into their own. The talent, ingenuity and down-right hard work of all of our winners, in what is still a very competitive market, is living proof that good business can still be done”*. Kathryn went on to say: *“I would also like to take this opportunity to acknowledge the support provided by Preqin and DealGate, both of whom by way of their promotional activity, helped us to achieve a record number of votes, making this year’s AI winners the most representative in the industry”*.

The Acquisition International M&A winners have rallied well from boom to bust, they proved resilient and are superb examples of excellence. Key to their success has been, more than ever, the ability to adapt and act creatively in business and their exceptional performance is expected to continue into next year and beyond.
